

Thank you for your interest to volunteer in the Sedona Oak-Creek Unified School District!

The Sedona Oak-Creek Unified School District utilizes many volunteers in classrooms and as coaches. State Statute A.R.S. 15-512 and Governing Board Policy 1-6631 govern volunteers.

Statute mandates fingerprinting of all volunteers at no cost, except parents who do not require fingerprinting.

To begin the volunteer process:

1. Contact the school site or program in which you have an interest, to discuss volunteer opportunities.
2. A volunteer application packet must be completed.
3. Volunteers bring their completed application packet to their campus, the campus sends the application and fingerprint card to the HR office where it is processed to the DPS offices. This process may take up to 6-8 weeks to complete.

*****Volunteers*****

A valuable resource in our schools and community

Thank you!
