

It's a fact: for every dollar you pay to your Arizona state income tax, less than one cent comes back for our Sedona Community. But once payment is made to the Sedona KIDS Tax Credit program, every dollar of income tax paid through this program is kept within our Sedona Schools. Dollar for dollar - up to \$200 per single filer and \$400 for joint filers. What better way to help your community kids!

Remember, if you contribute to the Sedona Kids Tax Credit Program, your tax dollars will be used to benefit the kids of our Sedona community.

Check one or more schools and programs. If you want to designate your tax dollars to a specific program, please designate below, otherwise your contribution will go to the general fund and be utilized as needed by the school site councils.

-
- West Sedona School** **Big Park School** Programs designated below
