CONTRACT AGREEMENT
Sedona-Oak Creek School District #9
FY 2018-2019

May 24, 2018

This agreement, which provides for educational services, is made between the Yavapai County School Superintendent's Office and the Governing Board of Sedona-Oak Creek School District #9. The aforementioned school district agrees to purchase the following educational services from the Yavapai County School Superintendent's Office for fiscal year 2018-2019:

- Nursing Services   6 days $2,214.00
  The Nursing services to schools include, but are not limited to, hearing screening, vision screening, assessment of records for compliance with Arizona state statutes, immunizing students on-site in remote areas of the county, scoliosis screening, blood pressure screening, and height and weight assessments of students. The nursing services team actively collaborates with other members of the YCSS to deliver services to students. It participates in and advises regarding health issues for services to special education students and collaborates with schools in planning Individual Education Plans (IEP). The nursing services team also provides training for new and existing nurses and health assistants in Yavapai County and regional schools. We actively collaborate with schools and community partners such as Yavapai County Community Health Department to provide training and deliver educational services to students and staff including topics on health, safety and nutrition. In addition, we offer need-based support and guidance to all schools regarding the health, educational and safety needs of the school district staff, students and parents.

The annual amount for the above services is $2,214.00
