### WSS Quarterly Attendance Challenge!

#### Congratulations to the following for winning our Attendance Challenge for Quarter 1:

- Class with the highest attendance rate: Mrs. Linden's 5th grade
- Student/Parent winning the 90%+ Lottery-Angel Lopez-Dominguez
- Teacher winning the Perfect Attendance Lottery-Mrs. Thi, Pre-K

Your students began earning the 2nd Quarter Attendance Challenge this past week when we returned from fall break! You can help by ensuring your student is here ON TIME every day possible! It goes without saying that attending school makes a difference in what your child learns, but being here on time makes all the difference as well. Even being late by 20 minutes means your student misses important instruction that we have deliberately planned, so your assistance is important!

**MUCH THANKS TO LISA FOR PROVIDING THIS ATTENDANCE INCENTIVE TO OUR SCHOOL!**
