

<b>MEETING DATE</b> 09/10/2024	<b>SEDONA-OAK CREEK UNIFIED SCHOOL DISTRICT BOARD AGENDA</b>
Item Title: Approval of Sole Source Vendors for FY 24/25	
<p>The District Administration is requesting Board Approval of the following vendors as Sole Source Vendors for FY 24/25. There appear to be no reasonable alternative sources, so the usual procurement methods of RFP's, Bids or Quotes are not feasible to obtain these services or products.</p> <p><b>Powerschool Group: Student Information System: Evaluation and Hiring Platforms:</b> FY25 Estimated Expenditures \$30,000 As these are long time software support vendors; a change would require a significant financial investment to include possible technology changes and professional development. While we may consider other vendors in the future the District feels that there is not a reasonable alternative source for these services at this time.</p> <p><b>Tyler Tech: District Office Software Support:</b> FY25 Estimated Expenditures \$25,000 As these are long time software support vendors; a change would require a significant financial investment to include possible technology changes and professional development. While we may consider other vendors in the future the District feels that there is not a reasonable alternative source for these services at this time.</p> <p><b>AZ Interscholastic Association (AIA) Athletic Referees:</b> FY25 Estimated Expenditures \$22,000 No alternative for this service</p> <p><b>AP College Board: Exams:</b> FY25 Estimated Expenditures \$15,000 No alternative for this service</p> <p><b>WestED:</b> FY25 \$72,000 This is a continuation from the work/projects started in FY24. To consider a different vendor would not be a reasonable solution for this continued professional development.</p> <p><b>SUGGESTED ACTION:</b> The Governing Board issues approval for the above Vendors to be designated as Sole Source Providers for the 2024/2025 school year.</p>
