

AIA/NFHS BRAIN BOOK/Opioid Education

All student-athletes must complete the Brain Book concussion quiz and the Opioid Education Courses. Students must pass with at least an 80% or must retake the quiz. Students should print off their certificate indicating they have passed and submit it with the clearance packet. Athletes are only required to complete the Brain Book training and Opioid Education Courses once during their four year high school career.

How to access – Visit the WEBSITE

Go to www.aiaacademy.org

Create an account, register as a student, Select sport. Complete the quiz, Print out your certificate and submit it to the athletic office.

Athletes must pass with at least 80% or must retake the quiz.

Those courses MUST be completed before the first day of the season. If not completed on time you will be considered ineligible to participate until completed.
